Windshield Replacement Instructions

Need a rock chip repair, see windshield repair instructions?

Need a windshield?

Safelite Glass Corporation has been awarded the State of Utah contract for automotive glass “replacement”.

In the following Counties only;

Box Elder
Carbon
Cache
Davis
Iron
Juab
Morgan
Summit
Salt Lake
Sanpete
Tooele
Utah
Wasatch
Washington
Weber

Their contact information is: (801) 485-0719

When contacting Safelite Glass, Tell them that the vehicle is a State of Utah vehicle, and that it will be billed using Automotive Resources International (ARI).

Please have the year, make, model, plate number, equipment number, and odometer information at hand for proper billing processing.

All other Counties;

You must receive bids from at least two windshield repair facilities (whenever possible), ultimately taking the vehicle to the lowest bidder.

Suggested Vendors to get bids from;

- Moab Auto Glass 435-259-9434 (mobile), Green River, Moab, Monticello, and Blanding
- Blacks Auto Body 435-678-2971, North Highway 191 Blanding

- Jones Glass 435-896-8496, 22 East 200 South Richfield
- Delta Glass & Tire 435-864-4959, 302 North Highway 6 Delta

Windshield Repair Instructions

Need a rock chip repair?

Three State contracts for rock chip repair exist: Safelite Autoglass, Novus Windshield, and Auto Glass Discounters, Inc.

The following counties are covered by each vendor:

| Safelite Autoglass Ph: (801) 485-0719 | Novus Windshield Ph: (801) 298-7700 | Auto Glass Discounters, Inc. Ph:(801) 972-2999 |
|--|---|---|
| Box Elder Cache Weber Morgan Davis Summit Salt Lake Wasatch Tooele Utah Carbon Iron Washington | Davis Weber Summit Salt Lake Utah | Salt Lake |

If your agency operates in counties other than those listed above, your agency must receive bids from at least two (whenever possible) rock chip repair facilities, ultimately taking the vehicle to the lowest bidder. Keep in mind; rock chip repair pricing should range from \$10.00 to \$25.00 per repair.
